MY  
OR  
B

LOGNOTE -- Chief, Operations Group, 5 September 1985

1. [ ] Following from this morning's staff meeting:

25X1

- The current CDC class will make an overseas trip for the first time--Britain and Germany. They will visit London Bureau [ ]

25X1  
ZSAI

- The GEHA surplus will be liquidated through lowered rates. They wanted to increase benefits, but OMB said no.
- O/C is looking for a deputy chief for their engineering division. An SIS position.
- The Agency is launching an "officer in residence" program at universities. A CIA officer will teach for a year at participating colleges--so far six schools have agreed. Anyone interested (GS-14 grade level suggested) should see C/E&PS.
- The annual review will be held on 25 September.
- The DDS&T off-site meeting will be held [ ] 8-11 October.
